1. ROLL CALL.

Present: Dennis Antenore, Estela Becerra, Kenneth Brown, Larry Burgheimer, Marc Christensen, Lena Emmery, Phil Freed, Deborah Gellermann, Dorrie Huntington, Beatrice Laws, Ed Murray, Bob Vergara, Calvin Welch.

Excused: Greg Rocca.

Absent: Eleanor Frangos, Steve Valdespino, Jeff Wilkins.

Charlene Nichols and Jim Delfino represented the Recreation and Park Department.

2. APPROVAL OF MINUTES.

The minutes of the February 6, 1995, meeting were approved with this correction: Section III, Election of Officers, should read: "By ruling of the chair, Roberts Rules of Order allows for existing officers to remain in office until the next meeting."

3. PUBLIC COMMENT.

There was none at this time.

4. NOMINATION AND ELECTION OF OFFICERS.

Dorrie Huntington was unanimously elected Secretary. The vote for Chair was as follows: Dennis Antenore 8 votes, Lena Emmery 5 votes. Dennis Antenore re-elected chair.

5. DISCUSSION OF DOWN-TIME ISSUES.

The stadium field has been overseeded with rye grass, which has greatly improved the durability of the turf. The field must be closed during April for re-seeding, since that is the best time of year for grass growth. Arrangements will be made so that the Academic Athletic Association track meet will be able to be held at Kezar even though the field is closed in April.

By a unanimous vote the committee states its support for the installation of a discus pad in the northeast corner of the Triangle to the west of the Stadium, so that discus events may be held at the Stadium when the playing field inside the Stadium is closed for re-seeding.

6. RECREATION AND PARK BUDGET ISSUES.

These are "desperate times" at McLaren Lodge due to the current budget shortfall. Cuts in the department's budget have been ongoing since 1979. A rally in support of Recreation and Park will be held on April 24th at the temporary City Hall.

One of the ways being considered to deal with the budget shortfall is to close all Recreation and Park facilities on Mondays. The committee unanimously goes on record in opposition to the closure of Kezar Stadium on Mondays.

7. KEZAR STADIUM GROUNDSKEEPER.

Eamon Bowler, the Kezar Stadium groundskeeper, is retiring and there is a chance that his position may be eliminated. The committee goes on record in support of retaining the position of Kezar Stadium groundskeeper to insure the continued good maintenance of the field.

8. NEW BUSINESS.

Last year, the San Francisco Marathon caused major traffic problems in the neighborhood surrounding Kezar Stadium, primarily due to the closure of several streets for several hours. A subcommittee will be formed to investigate ways to lessen the impact of the marathon on the neighborhood in the future.

The committee unanimously recommends that ways be found to lessen the negative impact of the San Francisco Marathon on the surrounding neighborhood in the future.

The next meeting is tentatively scheduled for Wednesday, September 13, 1995, at 7:00 P.M. at the Hall of Flowers.

**PROPOSED TEMPORARY CHANGE TO KEZAR STADIUM OPERATING POLICY**

The New Kezar Stadium has now been in operation for 4 years under an operation and permit policy created before the Stadium opened in 1991.

Almost none of the potential problems anticipated by the 1991 policy have happened in the 4 years of real stadium operation.

The true effect of the complex rules in the 1991 policy has been to make Kezar Stadium an unattractive facility which currently generates almost none of the anticipated revenue vital for maintenance and keeping the stadium open to the public for 16 hours per day as promised.

It is time to try to try the following alternative operations policy for a test period  
Temporarily Suspend Resolution 16191.

Adopt the following simplified temporary operations policy for 1 year (automatically renewed annually unless 10 written complaints from individual San Francisco residents are received in the first 9 months of any year. If 10 complaints are received a hearing will be held to determine whether the temporary operations policy should be changed.)

- 1) Select a booking agent familiar with Kezar Stadium operations (non profit preferred) and grant that booking agent the exclusive right to promote, book, & operate all reserved events at Kezar Stadium for a period of 5 years.
- 2) The booking agent selected will operate the Kezar facility according to the following temporary operations policy.
  - A) Evening events will end by 9:30 PM Pacific Standard Time.
  - B) No alcoholic beverages will be sold at the stadium.  
No skating, bicycling, skateboarding, or animals (other than handicapped) will be allowed.
  - C) Booking priority for Traditional paid events will be maintained.  
Traditional public access operating hours will be maintained (Open: 6:00 Am daylight savings, 7:00 AM standard time. Close: 9:30 PM)
  - D) Fees, staff, and all other requirements for any paid or reservation event will be determined by the booking agent.
  - E) Revenue generating events are limited to 91 per year (25% of 365 days)  
Maximum paid attendance per year will be limited to 910,000 (10,000 @ for 91 events)  
If appropriate, lights and amplified music may be used at any of these 91 events
  - F) Upcoming event and Sponsor Signage for the benefit of the Stadium will be allowed at the discretion of the booking agent (no tobacco signage).
  - G) All revenues generated by these events (less booking agent expenses) will be placed in a Kezar Stadium Trust Account which will grant funds for proposals to improve, operate, or maintain Kezar Stadium.

In response to the San Francisco Department of Parks & Recreation's (DPR)'s request for assistance in attracting more activities to Kezar Stadium and other DPR facilities that would provide cash income for facility maintenance & DPR operations and attract events beneficial to the entire city of San Francisco.

Rennie O'Brien Presents(ROBP) proposes the following agreement.

DPR will designate Rennie O'Brien Presents (ROBP) as its exclusive agent for booking and operating Kezar Stadium because of its extensive operating experience at Kezar Stadium.

If this agreement and the attached terms are approved by DPR, ROBP will join with a Not For Profit Foundation to create a Kezar Stadium Trust Fund that will receive all funds generated by Kezar Stadium Events after agreed on revenues to promoters. The Not For Profit Foundation will use the funds to make grants to fund proposals to improve, maintain, and pay operating expenses for Kezar Stadium.

The Not For Profit Foundation will provide DPR with quarterly financial reports of activities at Kezar Stadium.

It is essential that DPR agree to the attached Temporary Change to the Operating Policy if DPR wants the help of ROBP in making Kezar Stadium a financially productive asset to San Francisco.
